# LET'S MEET

The Mawarra - A Space Made for Celebrating.  
Steeped in history & named after the hotel's original title from 1955, The Mawarra, meaning “a pleasant place” lives up to its name in every way.

This exclusive & stylish function room features its own private bar & amenities, creating the ideal setting for birthdays, engagements, corporate events, & everything in between.

With space for up to 120 guests (or 80 seated), The Mawarra offers a flexible layout with a mix of banquet-style seating & cocktail tables to suit your celebration. It's the perfect blend of charm, privacy, & practicality.

*Minimum booking of 30 guests required.*

“

Everything was seamless from start to finish. The venue setup was perfect—we barely had to do anything!

The staff were incredible, from the bar team to security, who handled things professionally & with care. The food was delicious, beautifully presented, & well-received by all.

“

Everything was perfect! Guests were blown away by the table décor & couldn't believe it was all included. The food, especially the sliders, was a huge hit!

The whole process was stress-free, thanks to Louise & the team.

“

From booking to the event itself, Louise & the team were fantastic. She was so professional & friendly, responding promptly to every inquiry.

The room looked stunning, the food was amazing, & the entire night was stress-free. So many of my guests said they'd consider booking their next event here!

# OUR CLIENTS

A photograph of a bar interior. The background features a wall made of vertical wooden slats. Above the bar, there are two shelves. The top shelf holds several potted plants, including some with long, thin leaves. The bottom shelf is filled with various bottles of alcohol. Five pendant lights with dark, conical shades hang from the ceiling, casting a warm glow. In the foreground, the backs of four black chairs with gold-colored dots are visible. The text "UNIQUE SPACE" is overlaid in large, white, sans-serif capital letters, and "flexible & functional" is written below it in a yellow, cursive script.
